ANSWER

In response to the Notice of Opposition filed by Beau L. Tardy ("Opposer"), Wild Brain Entertainment, Inc. ("Applicant") files this Answer.

To the extent that any allegations are asserted in the preamble, Applicant denies each and every allegation.

1. Standing: DENIED. Applicant is without knowledge or information sufficient to form a belief as to the truth of and therefore denies the allegations of Paragraph 1 of the Notice of Opposition. In particular, Applicant notes that: (a) the two registrations cited by Opposer (Reg. No. 2339835 and Reg. No. 2339836) were both cancelled in 2010 as set forth in the TARR reports attached as Exhibit 1; (b) the owner of those cancelled registrations (Dizzy Worldwide Corp., a New York corporation) was dissolved on September 25, 2002 as set forth in the records of the NYS Department of State attached as Exhibit 2, and therefore Dizzy Worldwide Corp. could not have used any trademark after 2002; (c) the domain names dizzythecat.com,

dizzycartoons.com and dizzyville.com are owned by Aquarium Creative Agency Corp., the domain names dizzytv.com and dizzycomics.com are owned by Domains By Proxy, LLC, and the domain name dizzyworldwide.com is owned by Chateau Books, as set forth in the WHOIS records attached as Exhibit 3, none of which is the Opposer in this proceeding; (d) there is no content on the websites dizzytv.com, dizzycartoons.com, dizzycomics.com or dizzyville.com as set forth in the webpage printouts attached as Exhibit 4, so there is no possible trademark use on those websites; (e) the only content on the website dizzyworldwide.com is GoDaddy's standard "Want to buy this domain?" webpage that it posts when a domain name has been registered but the owner has not posted any content, as set forth in the webpage printout attached as Exhibit 5, so there is no possible trademark use on that website; (f) the only content on the website dizzythecat.com appears to be a few very short cartoons dating from 2006, as set forth in the webpage printouts attached as Exhibit 6, which does not appear to be on or in connection with any goods or services whatsoever; (g) copyright registrations, if any, are not relevant to this Opposition proceeding; and (h) Applicant did not know of Opposer's DIZZY mark or character when Applicant adopted its DIZZY mark and created its DIZZY character, and therefore had no intent to infringe on any of Opposer's trademark, copyright or other rights, if any.

2. Legal: DENIED. Applicant is without knowledge or information sufficient to form a belief as to the truth of and therefore denies the allegations of Paragraph 2 of the Notice of Opposition.

3. Remaining Unnumbered Paragraphs: DENIED. Applicant is without knowledge or information sufficient to form a belief as to the truth of and therefore denies the allegations of the remaining unnumbered paragraphs of the Notice of Opposition.

AFFIRMATIVE DEFENSES

4. No Standing: Based on Applicant's knowledge and belief, Opposer lacks standing to file this Opposition because Opposer is not the owner of and does not have a real interest in any DIZZY mark or any other mark likely to be confused with Applicant's DIZZY mark.

5. Abandonment: Based on Applicant's knowledge and belief, Opposer has abandoned the DIZZY mark by ceasing to use the DIZZY mark on or in connection with any goods or services whatsoever for a period of three (3) years or more.

6. No Trademark Rights: Based on Applicant's knowledge and belief, Opposer has not used the term DIZZY as a trademark on or in connection with any goods or services whatsoever for a period of five (5) years or more, and is not currently using the term DIZZY as a trademark on or in connection with any goods or services whatsoever.

7. No Likelihood Of Confusion: There is no likelihood of confusion between Applicant's DIZZY mark for game software, motion picture films, video and audio media, CD ROMs, DVDs and other goods in International Class 9 and Opposer's DIZZY mark for the production of television commercials in International Class 35.

8. Applicant Is At Least Entitled To A Restricted Registration: Applicant's DIZZY mark is based on the name of a character appearing in a web-based program series, and this application is for related merchandise in International Class 9. Applicant is at least entitled to a registration in International Class 9 restricted to the field of character merchandise/children's entertainment.

9. Failure To State A Claim: Opposer's Notice of Opposition fails to state a claim upon which relief may be granted.

WHEREFORE, Applicant, having fully answered Opposer's Notice of Opposition, and setting forth its affirmative defenses, prays that the Notice of Opposition be dismissed and the Certificate of Registration for Applicant's Mark be issued.

Respectfully submitted,

Date: August 6, 2012
